

Back to Basics: Learn How to Succeed in Your Job Search

Find a Job

Having a successful career in the conservative movement is about more than just hard work. Learn how to sharpen your professional skills to guarantee your advancement. Thousands of conservatives trained by the Leadership Institute are climbing the ladder to their dream jobs.

Back to Basics is a compact, but comprehensive training to teach you to:

- Write resumes and cover letters that stand out
- Build your network
- Show the best of yourself at interviews
- Manage your reputation in the movement
