Conservative Leadership can Restore American Education

“Together, standing up for common sense – for the values that built our nation – we can defend against our children being taught hatred and discrimination and lies.”

Senator Ted Cruz

Leadership Institute Faculty
Online On-Demand School Board Training

The Leadership Institute takes the lead to prepare conservatives to challenge the left's control over the nation's locally elected school boards with a multi-faceted School Board Leaders Program.

Whether you are an activist, considering or running for school board, newly elected or currently serve on a school board, Leadership Institute's School Board Program Training will equip you with the tools to lead and be effective.

Already, more than 4,000 conservatives -- Leadership Institute grads -- have learned how to run for and win their local school board elections.

American students deserve a world-class education. Not political indoctrination. Conservatives across the country see the issue and are flocking to this training.

Learn the four things you can do now to save America's schools.

1 Watch the Online On-Demand School Board Trainings

Please share this **FREE** resource with solid conservatives in your network. Potential school board candidates and their top campaign teams will receive more than 27 hours of the best Leadership Institute training on topics like how to create a compelling message, how to rally voters, how to handle the media, and much more for a winning campaign.

3 Listen to Learn Right: School Board Campaign Training Podcast

The Leadership Institute's Ron Nehring hosts this deep dive into political technology for conservatives to use in School Board battles. This podcast discusses how to campaign, how to raise funds, and what to do once you are elected.

4 Expand Your Knowledge. Join Other Conservatives in the Fight for American Education

The Institute works now with partner organizations to help conservatives through school boards. This resource library is your knowledge center.

Building Education for Students Together (BEST) is a project of FreedomWorks. BEST is committed to creating a long-term impact through grassroots outreach by mobilizing a network of parent activists across the country.

Noah Webster's Introduction to School Boards gives you a fly-over view of exactly what school boards do, why they have so much power in our kids' schools, and what you can do about it.

The Heritage Foundation's Critical Race Theory Legislation Tracker shows you what is happening in your state. Critical race theory (CRT) makes race the prism through which its proponents analyze all aspects of American life, categorizing individuals into groups of oppressors and victims.

Hillsdale College offers many courses, available free of charge, to any who wish to learn. Prospective and current school board candidates are highly encouraged to review Public Policy from a Constitutional Viewpoint and A Proper Understanding of K-12 Education: Theory and Practice.
